

Dear Friend:

AmeriLux International manufactures and distributes items for many customers that are identified as essential by federal and state government agencies. I want to share with you that AmeriLux International, AmeriLux Transportation, and AmeriLux Logistics are essential businesses. Therefore, until further notice, it is "business as usual."

Consistent with our values, we take our role seriously as an essential partner during these uncertain times and will maintain our focus of ensuring you have a positive experience with AmeriLux. As we say, "it's amazing what's possible when you don't know what's impossible." Together, we will get through this and, as a result, we will be even better tomorrow.

Stay safe,
